

University of Pittsburgh Cancer Institute

Center for Environmental Oncology

Lunch & Learn Series: Environmental Links to Cancer

‘Environmental Teratogens’

Jennifer L. Kloesz, MD, Neonatology

Date: October 16, 12 – 1 PM

Location: Children’s Hospital of Pittsburgh, Room B213-214

Objectives: Following this lecture, participants should be able to:

1. List several mechanisms of teratogenesis
2. Explain the concept of dose effect in relation to teratogenic agents.
3. Understand the impact of bioaccumulation and biomagnifications of toxins.
4. Describe the clinical features resulting from in-utero PCB exposure.
5. Describe the “Fetal Solvent Syndrome.”

Physician CE (CME): The University of Pittsburgh School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The University of Pittsburgh School of Medicine designates this educational activity for a maximum of One (1) *AMA PRA Category 1 Credit*[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity. Other health care professionals are awarded 0.1 continuing education units (CEU’s) which are equal to One (1) contact hour. The University of Pittsburgh, School of Medicine, Center for Continuing Education in the Health Sciences (CCEHS) is the ACCME accredited provider for this continuing medical education activity.

Nursing CE: UPMC Health System is approved as a provider of continuing nursing education by the Pennsylvania State Nurses Association, which is accredited by the American Nurses Credentialing Center’s Commission on Accreditation. Upon completion of the entire program and return of the evaluation forms, participants will be awarded a certificate and 1.0 contact hours. In accordance with the UPMC Health System PSNA Provider Unit Requirements, commercial interests will be made available the day of the program and included in materials distributed at the time of the event.
